Trophy Hunts in Spain

This is not only one of the most beautiful countries in Europe to hunt, it is a Mecca for the international hunter looking to add to his collection of mountain game. No where else can you go and get four species of ibex, two chamois, and two sheep and be almost assured of getting all 8 species. These hunts take place on natural reserves and private land throughout the country. Our outfitter will make sure that this is one of the best and most rewarding and fun hunts you will ever go on. This is a great destination to take the wife and/or family and they can arrange for all types of different sight-seeing destinations for the non-hunting guests. Hunts are offered in both the spring and fall which helps in planning your hunt throughout the year. If you love hunting mountain game and being in beautiful country, this is a hunt that you can't afford to pass up!

Rates: \$770/day + trophy fees
\$270/day for the observer

Dates: April – May / September – December (allocate 2 – 3 days per specie)

Includes: First Class lodging, gourmet Spanish meals, and soft beverages, ground transportation from Barcelona airport (roundtrip), bilingual speaking professional guide & field preparation of game.
