## **STONE SHEEP**

### **Trophy Stone Sheep**

The most physically demanding of all of North America's sheep hunts. Hunting Stone sheep within this area will require horses, backpacking and strong resolve. The reward is great, as this area is home to some of the largest representatives of the species found anywhere. Last season marked the first Stone sheep hunts in this area in 3 years producing magnificent rams, two of which were over 39 inches and boasting 100% success!

**Rates:** \$35,000 14-day 1x1 trophy Stone sheep hunt

**Dates:** August-September

### **Yukon Stone Sheep**

Conducted on horseback, this outfitter has one of the best Stone sheep areas anywhere in North America. The rams in this area will be as dark as or darker than some of the areas in British Columbia. They have been producing trophy Stone sheep for over 15 years and hunt over 7000 square miles. Success has been over 90% on rams averaging an amazing 38"! With the prices of Stone sheep hunts going through the roof this is an excellent value for the chance at some big rams.
