WHITETAIL

Big Bucks in British Columbia

In international hunting circles, Northern British Columbia is fast becoming known for their huge-antlered mule deer and whitetail deer. This area offers a unique combination of rich farmland and very mild winters and these deer grow to incredible trophy quality sizes. Both trophy mule deer and whitetail deer are available on this hunt and a hunter may choose to harvest one or both species of deer. Accommodations are second to none, operating out of a private, luxurious lodge. A hunter will have an all-around fantastic experience.

Rates: \$5,900 6-day 2X1 British Columbia whitetail deer
\$2,200 second deer

Dates: September – October

Includes: 2X1 guide service, accommodations and meals, in-field transportation and trophy preparation.

Not Included: License, tag, Canada 6% GST, commercial flights, hotels & meals prior to hunt, dip, pack, crate and shipping of trophy(s) and gratuities.

Transportation: Fly to Grande Prairie, Alberta. Outfitter will meet & transfer you to lodge in British Columbia (approx. 1 ½ hours).

Monster Trophy Whitetail in Missouri

Through the rolling hills of Middle America cascades a breathtaking stretch of land, framed by rugged cedar thickets, endless oak forests and the solitude of manicured fields. These environs are home to the finest trophy whitetail in the hunting world. Large bodied, heavy antlered Canadian whitetail deer were imported and released. In the last 14 years the management has included introducing the genetics of some of the largest whitetail deer in the country, selective harvesting, advanced food plots, and more. If you are searching for huge record book animal, first-class hospitality and accommodations, this is the only place for you.
